

DRAWING AMENDMENT

Per the Enclosed Notice to File Corrected Application Papers, the clean copies of the amended drawings filed herewith are corrected to remove reference to the designation, Figure 7.

-- -- Remarks -- --

The abstract of the disclosure has been amended from that which was proposed in the examiner's amendment for accuracy.

The examiner's amendment concerning claims 26 and 27 has been amended to reflect applicant's position regarding those claims.

The drawings have been amended as specified in the notice to file corrected application papers to remove reference to Fig. 7.

It is respectfully submitted that all conditions for issuance having been met, a patent should issue in due course on the subject patent application.

Respectfully submitted,
EVANNS & WALSH
